## **HELP US SUPPORT** **The Workers on The Frontlines** **of The Grand Ethiopian** **Renaissance Dam (GERD)** **Construction Site**

We call on all Ethiopians around the world to support our front-line workers and heroes, who have given up their individual comfort and family life, for all Ethiopians to realize the longtime dream of using our God-given natural resource, the Abay (Nile) river for the development and prosperity of all Ethiopian people and beyond.

Help us honor the relentless efforts and sacrifices of the 7,000 workers by buying for each staff member of the GERD, posted at the front line, a government bond for Birr 1,000.00 (one thousand Ethiopian Birr) to:

- Make the heroes of the Dam, not only workers but also give them a sense of ownership;
- Continue support the Renaissance Dam project; and
- At the appropriate time, these front-line heroes will receive the value of the bond with interest from the investment made on their behalf.

The Ethiopian Women Initiative for the Support of the Grand Ethiopian Renaissance Dam (EWISRD) would like to thank you for your support and donation.
